

Subject: FW: NOHS Enhancement

BROADCAST TO ALL DPA STAFF

FROM SYSTEMS OPERATIONS

A BIG **THANK YOU** to Marg Parsons for suggesting this request through Field Services. The Notice History Summary screen (NOHS) has been enhanced to enable scrolling (PF7=UP and PF8=DOWN). We hope you find this enhancement useful.

Helpful hint: When you request a specific program sort (FS, TA, etc.), and then decide you would like to view all of the program notices on the case, enter an **AL** in the *SORT BY:* program field, and all of the program notices attached to the particular case will display .

Please keep sending in system enhancement ideas to Field Services. We get some of our best ideas from all of you!

If you have system-related questions, please contact the Help Desk at EISHelp@health.state.ak.us or DPA EIS Helpdesk.
